

As of Monday, July 20, 2020, we are asking all of our members to please wear a face covering when entering either of our branch locations. If you find yourself without a face cover, please let an employee know and we will provide one for you. We are doing our best to protect you, your fellow members, as well as our employees in these uncertain times. We appreciate your understanding. If you have a medical reason for not wearing a face covering, please let us know in advance of coming into a branch and we will accommodate you as safely as we can.

While our branches are both open, we still encourage members to utilize our touchless services whenever possible:

- Online & Mobile Banking-select "Online Access" from our website
- Mobile App-available for free from the App Store and Google Play
- Surcharge free Co-Op Network ATMs-locator available on our website
- Audio Teller-phone 619.579.0941 option 1
- Human Teller-phone 619.579.0941 option 2 during normal business hours  
(Voice mail available after hours will be returned next business day)
- Night drop box available at El Cajon branch location
