

IMPORTANT INFORMATION ON YOUR DIRECT DEPOSITS

Effective April 1, 2022, the Credit Union will no longer post electronic credits to your account one day early. The credits will post on the actual settlement date. For example, *if your employer's payday is every Friday, your payroll will post to your account on Friday and not one day early as we have done in the past.*

Please note that this change went into effect on January 1, 2022, for members receiving a direct deposit from Saint Francis Health System.

If you have any questions regarding how this will affect your electronic payments, please contact us through the HomeCU portal or call 918-494-1810.
